providing reimbursement to currently applicable appropriations of the Department of Defense for supplies and services provided in anticipation of requests from other Federal Departments and agencies and from State and local governments for assistance on a reimbursable basis to respond to natural or manmade disasters. The Fund may be used upon a determination by the Secretary of Defense that immediate action is necessary before a formal request for assistance on a reimbursable basis is received. There shall be deposited to the Fund: (a) reimbursements received by the Department of Defense for the supplies and services provided by the Department in its response efforts and (b) appropriations made to the Department of Defense for the Fund. Reimbursements and appropriations deposited to the Fund shall remain available until expended.

TITLE VI

CHEMICAL AGENTS AND MUNITIONS DESTRUCTION, DEFENSE

For expenses, not otherwise provided for, necessary for the destruction of the United States stockpile of lethal chemical agents and munitions in accordance with the provisions of section 1412 of the Department of Defense Authorization Act, 1986, as follows: for Operation and maintenance, $148,400,000; for Procurement, $73,000,000; for Research, development, test, and evaluation, $8,000,000, of which not less than $6,100,000 shall be available only for cryofracture: *Provided*, That of the funds appropriated for Chemical Agents and Munitions Destruction, Defense for research, development, test and evaluation for fiscal year 1989, not less than $16,300,000 must be obligated for cryofracture not later than January 15, 1990: *Provided further*, That the Secretary of Defense may only delegate responsibility for the program planning, policy, budget, management, execution and general oversight of the destruction of chemical agents and munitions and the retrograde movement of chemical agents and munitions to the Secretary of the Army: for retrograde, $27,610,000: In all: $257,010,000: *Provided*,

That the amount provided for Procurement shall remain available until September 30, 1992, and the amount provided for Research, development, test, and evaluation shall remain available until September 30, 1991 and the amount provided for retrograde shall remain available until September 30, 1992: *Provided further*, That of the funds appropriated for retrograde, not more than $10,000,000 may be obligated or expended, nor may any chemical munitions be moved from existing storage sites, until the Secretary of Defense certifies to the Congress that the Johnston Atoll Chemical Agent Disposal System has destroyed live agent chemical munitions and that adequate storage capacity exists on Johnston Atoll to safely accommodate any chemical munitions or hazardous materials transported to that site: *Provided further*, That none of the funds appropriated in this or any other Act may be obligated to construct additional chemical munition storage facilities on Johnston Atoll.
